Irish White Bean and Cabbage Stew

Cooking Instructions

In a Crock Pot:

Place the vegetables, seasonings, and barley into a large (at least 5 quart) slow cooker. Add enough vegetable broth to just cover the vegetables (start with 6 cups and add more as needed). Cover and cook on low heat for 7 hours. Add beans, tomatoes, parsley, and salt to taste. Check seasonings and add more herbs if necessary. Cover and cook for another hour.

On the Stovetop:

Place vegetables, seasonings, barley, and broth into a large stockpot. Cover and simmer until vegetables are tender, about 45 minutes. Add remaining ingredients, check seasonings, and add more herbs if necessary. Simmer uncovered for at least 15 minutes before serving.
